## WHY CHOOSE GRACE DENTAL?

Grace Dental provides an exceptional patient experience, as our entire team works together to create a welcoming, family friendly environment where our patients receive high-quality dental care from knowing and caring professionals.

We are a general and family dental practice that proudly serves patients of all ages. We believe in personalized dental care that focuses on patient education and disease prevention, with detailed and personalized treatment plans.

We look forward to meeting with you and to helping you and your family protect and maintain your oral health.

"Grace Dental has the nicest staff I have ever come across at a dentist office. I like the way they keep me informed as they perform each dental procedure." - **W.J., Overland Park**

## HOW TO TAKE ADVANTAGE OF THIS OFFER

Simply call our office at (913) 685-9111 and mention the 'Grace Dental Prevention Plus Dental Plan', or feel free to stop by and see us. We'll be happy to answer any questions you may have, get you (and your family) signed up for the plan, and get you in right away for an initial exam and cleaning. It's really just that easy! We look forward to hearing from you!
